

List of Doctoral Studies Specialties

Physics and Mathematics

01.02.04 - Mechanics of Deformable Solid

01.04.17 - Chemical Physics, Combustion and Explosion, Physics of Extreme States of Matter

Chemical Sciences

02.00.03 - Organic Chemistry

02.00.04 - Physical Chemistry

Technical science

05.09.03 - Electrotechnical Complexes and Systems

05.11.16 - Information-Measuring and Control Systems (in industry)

05.13.01 - System Analysis, Control and Processing of Information (in industry)

05.13.06 - Automation and Control of Technological Processes and Industries (in industry)

05.17.07 - Chemical Technology of Fuel and High-Energy Substances
