Code	Field of study	Profile	Course duration	Head of the educational program	Contact information	Departments that implement the educational program	The amount of budget places for 2017
01.06.01	Mathematics and Mechanics	Differential Equations, Dynamical Systems and Optimal Control	Full time – 4 years Off-campus studying – 5 years	Vladimir P. Radchenko, Head of “Applied Mathematics and Informatics” Department, Professor, Doctor of Physico-Mathematical Sciences	443100, Samara Molodogvardeyskaya street, building №244 academic building №8, office №508 Phone: (846) 337-04-43 E-mail: <a href="mailto:radch@samgtu.ru">radch@samgtu.ru</a> Website: <a href="http://pm.samgtu.ru">pm.samgtu.ru</a>	Applied Mathematics and Informatics  Advanced Mathematics and Applied Informatics	5
		Deformable Solid Mechanics	Full time – 4 years Off-campus studying – 5 years	Vladimir P. Radchenko, Head of “Applied Mathematics and Informatics” Department, Professor, Doctor of Physico-Mathematical Sciences	443100, Samara Molodogvardeyskaya street, building №244 academic building №8, office №508 Phone: (846) 337-04-43 E-mail: <a href="mailto:radch@samgtu.ru">radch@samgtu.ru</a> Website: <a href="http://pm.samgtu.ru">pm.samgtu.ru</a>	Applied Mathematics and Informatics  Mechanics	
03.06.01	Physics and Astronomy	Condensed Matter Physics	Full time – 4 years Off-campus studying – 5 years	Aleksander M. Shterenberg, Head of “General Physics and Physics of Oil and Gas Production” Department, Professor, Doctor of Physico-Mathematical Sciences	443100 Samara, Pervomayskaya street, building №18, academic building №1, office №307 Phone: (846) 242-45-44 E-mail: <a href="mailto:physics@samgtu.ru">physics@samgtu.ru</a> Website: <a href="http://physics.samgtu.ru">physics.samgtu.ru</a>	General Physics and Physics of Oil and Gas Production	2
		Thermal Physics and Thermology	Full time – 4 years Off-campus studying – 5 years	Vasily A. Kudinov, Head of “Theoretical Basics of Thermal Technology and Fluid Mechanics” Department, Professor, Doctor of Physico-Mathematical Sciences	443100, Samara Galaktionovskaya street, building №141 academic building №6, office №23B Phone: (846) 332-42-44 E-mail: <a href="mailto:totig@vandex.ru">totig@vandex.ru</a> Website: <a href="http://totig.samgtu.ru">totig.samgtu.ru</a>	Theoretical Basics of Thermal Technology and Fluid Mechanics	
		Chemical Physics, Combustion and Explosion, Physics of Extreme States of Substances	Full time – 4 years Off-campus studying – 5 years	Alexander P. Amosov, Head of “Metallurgy, Powder Metallurgy, Nanomaterials” Department, Professor, Doctor of Physico-Mathematical Sciences	443100, Samara Molodogvardeyskaya street, building №133, academic building №3, office №76 Phone: (846) 242-28-89 E-mail: <a href="mailto:mvm@samgtu.ru">mvm@samgtu.ru</a> Website: <a href="http://mpmn.samgtu.ru">mpmn.samgtu.ru</a>	Metallurgy, Powder Metallurgy, Nanomaterials  General Physics and Physics of Oil and Gas Production	
04.06.01	Chemical Sciences	Inorganic Chemistry	Full time – 4 years Off-campus studying – 5 years	Ivan K. Garkushin, Head of “General and Inorganic Chemistry” Department, Professor, Doctor of Chemical	443100 Samara, Pervomayskaya street, building №18, academic building №1, office №338 Phone: (846) 242-36-92 E-mail: <a href="mailto:baschem@samgtu.ru">baschem@samgtu.ru</a>	General and Inorganic Chemistry	6
