

GEORGIY SERGEYEVICH MOZGOVOY

Senior Lecturer, Oil and Gas Wells
Drilling Department, Samara State
Technical University

THE MOST IMPORTANT Scientific Papers

WELL JOINT PRACTICE

Runeft'. Oil and Gas Exposition, volume 7
(53), 2016

REPAIR-INSULATING WORKS IN HORIZONTAL WELLS

Sciences of Europe Praha. The Czech
Republic. 2018

Education

Samara State Technical University

Work Experience

13 years

INCREASING THE EFFICIENCY OF CARBONATE RESERVOIR DEVELOPMENT AT THE YAKUSHKINSKY FIELDS.

Proceedings of the III Research to
Practice Conference with International
Participation on Oil and Gas Complex:
Problems and Innovations, Samara State
Technical University, Samara, 2018.

MAIN REASONS FOR CBL UNSATISFACTORY INDICATIONS WHEN APPLYING LIGHT CEMENT

Proceedings of the III International
Research to Practice Conference 'Readings
of A.I. Bulatov'. Krasnodar. 2019.

Professional Development

1. Onshore and Offshore Oil Well Drilling.
Odlar Yurdu University (Baku, Azerbaijan).
2018
2. Information Educational Environment
Development of the University Using
Modern Information Technologies. Siberian
Humanitarian Technical Institute. 2019
3. Internship Program in the field
of Hydraulic Fracturing. ZAO SP
MeKaMineft'. 2019

RISK REDUCTION OF AN EMERGENCY WHEN SQUEEZING CEMENT

Proceedings of the III Research to
Practice Conference with International
Participation on Oil and Gas Complex:
Problems and Innovations, Samara State
Technical University, Samara, 2018.

MEANS OF CIRCULATION-LOSS CONTROL

Proceedings of the International Research
to Practice Conference on 21st Century:
Fundamental Science and Technology.
2018.

Teaching

- Well Completion
- Casing of Oil and Gas Wells
- Reconstruction and Restoration of Wells

BRIDGING AGENTS OF CEMENTING SLURRY IN CONJUNCTION WITH FIBERGLASS PIPES FOR CIRCULATION-LOSS CONTROL

Proceedings of the International Research
to Practice Conference of Young Scientists
on Youth Energy for the Oil and Gas
Industry. Almet'yevsk. 2018.

APPLICATION OF WATER SHUT-OFF TECHNOLOGY AT THE LATERAL WELLS AFTER MULTI-STAGE FRACTURING

International Research to Practice
Conference of Young Scientists on Youth
Energy for the Oil and Gas Industry.
Almet'yevsk. 2018

Research Interests

- Oil and Gas Wells Drilling
- Well Completion
- Workover

STRESS MODE DEFINITION

Oil. Gas. Innovations, 2017
